You want Newbro's Herpicide, the remedy that has been tried, has stood the test of time and now has more satisfied users than all other similar preparations combined. GREAT HILL AT THE WIGWAM.
The Wigwam today will have the first of a series of big shows. The offering is easily worth a quarter but only 10 cents will be charged. The attraction will be the big foreign spectacle, "The Triumph of an Emperor." It was personally selected by E. Campbell, one of the owners of the Wigwam, who saw it at a private exhibition in Dallas. This will positively be the best show for which plans have been seen in El Paso since "The Prisoner of Zenda" was put on for that price. The play, which has a board of censors who thought that the dance of the seven veils and the orgies at Rome were too indecent to be shown, is a reflection of the customs of the times. Hundreds of soldiers are in the big scenes and the Alps that they cross are the most picturesque Alps.

Once each week a special which would ordinarily cost a quarter will be put on. "The Triumph of an Emperor" is a picture of the most interesting nature. These films being all that are said to be as Mr. Campbell will personally see each one before booking it.—Advertisement.
